THE CLASS OF LUXURY

The ceramic era inspired the idea of the beast collection, which combines visual complexity the quality of the "aged" ornamental and the linear severity of the geometric de-cows. Soft beige and gray tones, a panel with a multi-layered floral pattern design and water color stripes of decorative elements everything is created to create a calm yet brightly individual interior with interesting ac-cent parts.

Matt Finish

Matt carving tiles are a type of tile that has a textured surface that resembles carved stone or wood. They are made from a variety of materials, including ceramic, porcelain, and stone. The textured surface is created by using a mold or by etching the surface of the tile. Matt carving tiles are available in a variety of colors and styles, and they can be used to create a variety of looks in a home.

SUPERIORITY OF CERAMIC MARBLE

our collection of ceramic marble have been designed for both private areas and public, commercial and urban spaces.
