PRODUCT CATLOGUE - 2024

Our Story, **Our Journey, Our Essence**

Orinda Groups is a manufacturer and exporter of premier-quality tiles, granite, and ceramic allied products. Based in the world's second-largest tile production zone - Morbi, we make products for diverse market segments including residence, workplace, government, healthcare, retail, and hospitality. Our portfolio covers a range of flooring and wall tiles for various spaces meeting the most-sought after requirements - aesthetics, durability, and affordability.

In the last decade, we've served 1000+ clients in the domestic market and 32 countries including the USA, UK, Australia, UAE, Kuwait, Canada, Singapore, and more to make spaces beautiful and functional.

OUR CORE VALUES

Link Spaces to Beautiful Experience

No matter what space or segment it be, we want people to have a memorable interaction. The very moment they enter a place, we want them to connect, inspire, and be awestruck. And we do it through our products; products that link spaces to a beautiful experience.

Durability for Long-lasting Impact

For us, beauty and durability go hand in hand. Because the only way beauty can have a long-lasting impact is through robustness. So we make products that stand the test of time and real-life use.

Committed to Superior Support

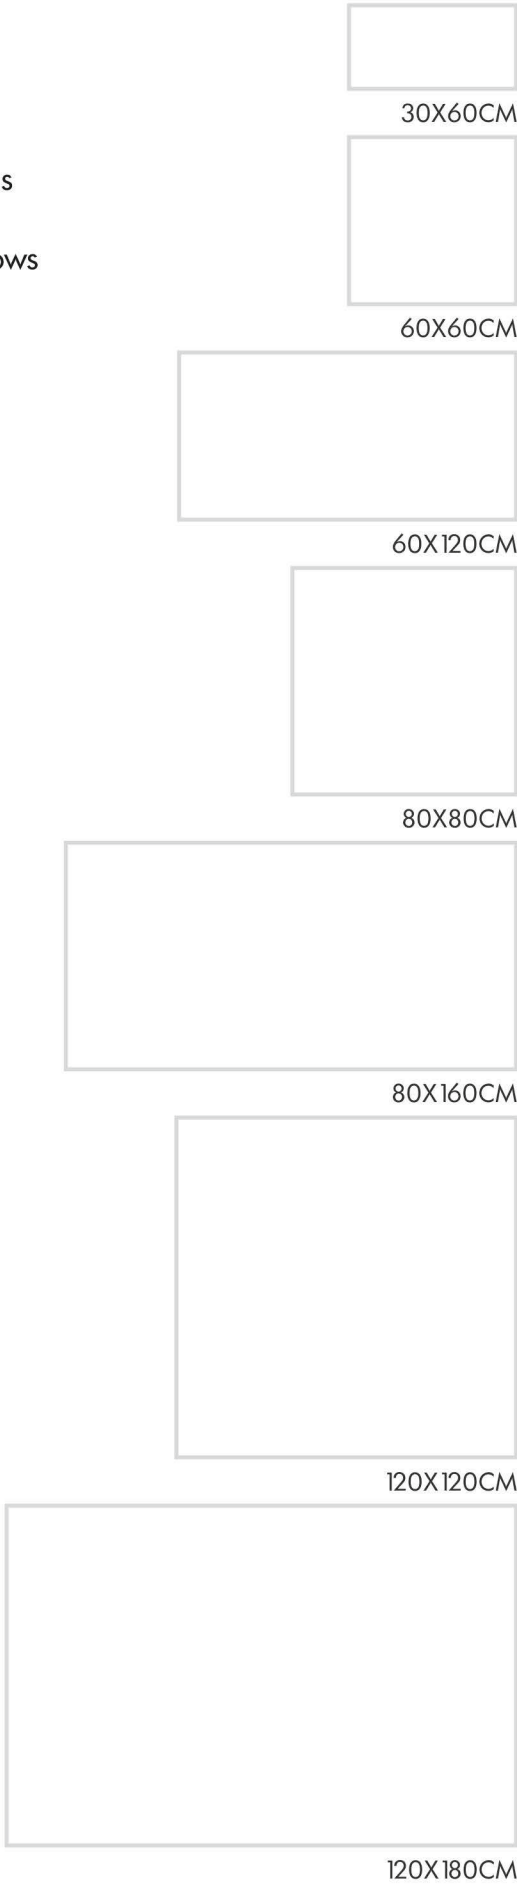

Orinda's superior quality extends beyond products. Whether you are a dealer, seller, builder, contractor, architect, interior designer, or individual homeowner, we strive to provide you excellent service and support. We're committed to helping you throughout the process by understanding the requirements, explaining product specifications, assisting with the right selection, shipment & delivery, and after-sales services.

Versatile Sizes, Tailored to Your Vision

Variety is at the heart of our surface offerings, with an extensive range of sizes to meet your specific requirements. From compact and efficient dimensions to spacious and grand surfaces, we offer a versatile selection. What's more, our custom sizing option allows you to tailor the surface to your exact specifications, ensuring a perfect fit for every project.

No matter the scale or scope, we provide surfaces that seamlessly blend aesthetics and functionality. With our diverse sizing, you have the freedom to turn your creative vision into a tangible reality, making every project uniquely yours.

Zero compromise quality policy

Quality is in our DNA. Be it the selection of raw materials or the manufacturing process, or packing and transportation until it reaches you, you can see zero compromises when it comes to quality. This passion for quality is what makes us the preferred choice of architects and clients both.

Made in India

By birth, we are proud Indians, but by our reputation, we are absolutely international. By adopting the global best practices across industries, we are an Indian company by soul, but an international entity in name and body.

Our business ethics

Our firm believes in keeping principles before profits and this has helped us achieve this stature in such a short span of time. In an industry known for compromising at the drop of a hat, we are the torchbearers who will never compromise with our quality and business principles.

Our social responsibility

We are committed to giving back to the society that we live in. Be it providing employment, or preserving the environment, we are at the forefront. We believe that without partnering with the society at large, we may earn profits in the short-run, but not respect which will ensure our all-around profitability in the long run.

APPLICATION AREAS

Versatile Surfaces, Endless Design Possibilities

Our surfaces are incredibly versatile, with applications that transcend design boundaries. They are the ideal choice for kitchens, adding both charm and functionality to your culinary space. Beyond residential use, our surfaces find a place in commercial projects, contributing to a range of design aspirations. With our versatile surfaces, your design possibilities are truly endless.

FEATURES AND BENEFITS

Unmatched Features, Allowing Your Creativity to Thrive

Explore our surfaces' exceptional features that ensure longevity and safety. With exceptional durability, they're built to withstand the test of time. Whether it's frost-resistant for outdoor installations or fireproof for enhanced indoor safety, our surfaces are engineered to meet your design aspirations. Water-resistant properties make them perfect for wet areas, combining style with practicality.

In addition to their aesthetic appeal, matt ceramic tiles provide better slip resistance compared to glossy tiles, making them an excellent choice for wet areas like bathrooms or outdoor spaces. They are durable, easy to clean, and available in a variety of colors, textures, and patterns, allowing for versatile design possibilities. Overall, 1200x1200 mm ceramic matt tiles offer a blend of style, safety, and practicality, perfect for creating elegant, timeless spaces.
