collection

600x600MM
800x800MM

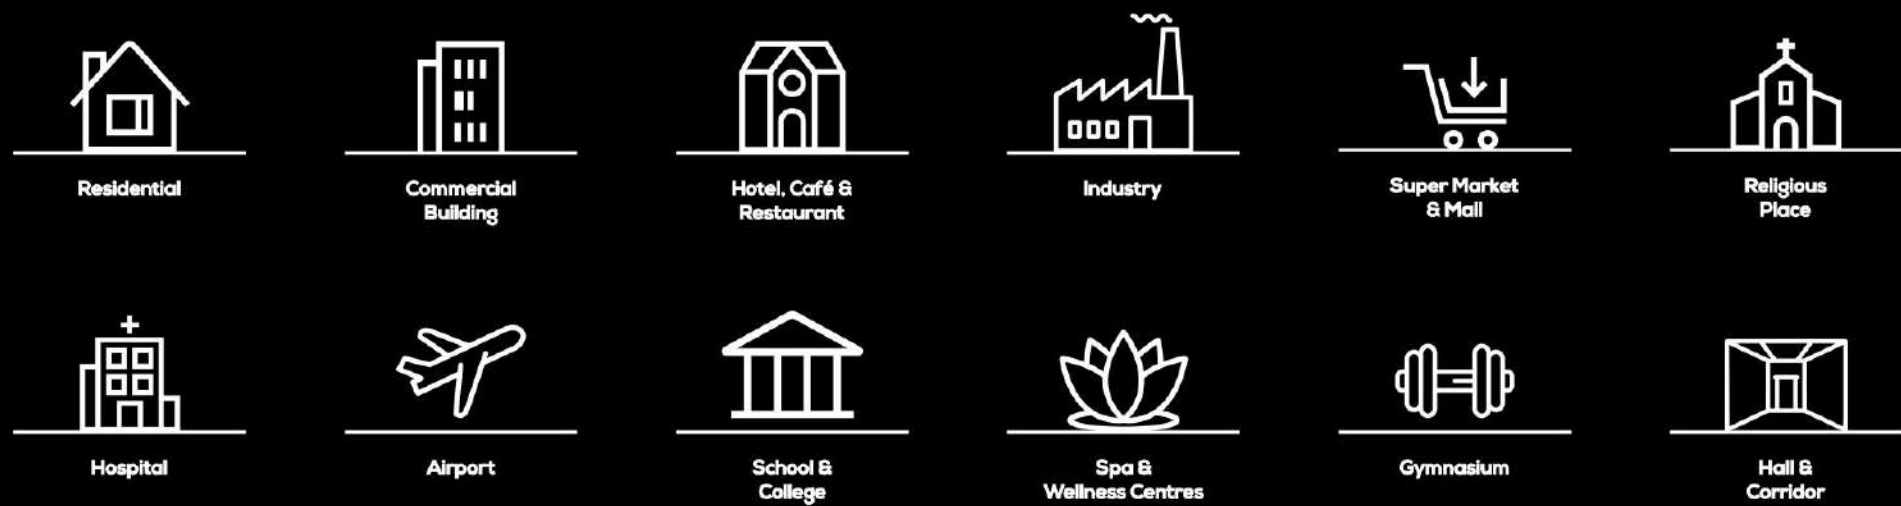

A large, glossy sphere and a smaller, glossy sphere are positioned on a light-colored, veined marble floor. The larger sphere on the left contains a detailed image of the Earth from space, showing blue oceans and white clouds. The smaller sphere on the right is a uniform, bright white. Both spheres are highly reflective, showing sharp highlights and clear reflections on the polished marble surface. The background features dark, angular architectural elements that create a dramatic, high-contrast lighting effect, casting long, soft shadows from the spheres.
